

Strategic Planning 2000 Lunch Questions

1. What type of support do you have in your organization for you (or others) to be involved in WaterShed Partners?
2. How did you get this support?
3. Do you need more support from your organization or would you like more support?
4. What, if any, obstacles are in the way of you obtaining support for Watershed Partners from your organization?
5. If you need or want more support from your organization, do you have any suggestions as to how the WaterShed Partners can help you gain support?

Name (optional): _____

Bring this questionnaire with you. Extra copies will NOT be provided at the meeting.
